

PRESCHOOL CLASSES

Preschool classes are for dancers ages 3 and 4 who will learn about balance, coordination, and rhythm. Both ballet and tap techniques will be taught. These techniques will be combined to create dance combinations which will be practiced both individually and with a group. This encouraging environment will allow them to grow using their imaginations and bodies to create dance steps. One dance in either ballet or tap will be performed in the June recital.

COMBINATION CLASSES

Combination Classes are for the younger dancer and are available in three levels (determined by age and experience). Students will learn Ballet, Tap, and Jazz, with approximately twenty minutes spent on each style. During each class we will build on what was learned during the weeks before, expand knowledge of technique for each style, and learn choreography. One dance of each type will be performed in the June recital.

Approximate ages:

Combo Level 1= ages 4-5

Combo Level 2= ages 5-6

Combo Level 3= ages 6-7

BOYS CLASS

There are two boys' classes: ages 3-6 and 7-10. Both age groups will learn jazz and hip hop. These are 30-minute classes which will perform one dance in the recital.

LEVEL CLASSES

Level Classes are available for dancers ages 7-19. Classes are available in Ballet, Tap, Hip Hop, and Jazz/Lyrical. Class times range from 30 minutes to 1 hour, depending on the level and style of the class.

Approximate ages:

Level 1= ages 7-9

Level 2= ages 9-11

Level 3= ages 11-14

Level 4= ages 14-19

MINI HIP HOP

This 30-minute class is for 5 and 6 year olds and will perform in the recital.

PRIVATE AND SEMI-PRIVATE LESSONS

Private and Semi-Private classes are offered for technical purposes, a recital dance, competition, or for special occasions. Please call the studio for days, times, and teacher availability.

Please note that Preschool, Combination, and most Level 1 classes are taught by a teacher and an assistant. In all classes, you can expect your dancer to learn terminology, positions, and style-specific steps. Listening skills and cooperation are also incorporated. Movement between levels is determined by teacher recommendation, age, and experience.
